The second, broader definition governs eligibility requirements for various benefits for veterans that include the following:

- armed forces license plate collection;

- admission to a state veterans' home;
- veterans' scoring preference on civil service exams;
- free license plates for disabled veterans and prisoners of war;
- county assistance to indigent veterans and families;
- restrictions on sending veterans or their families to almshouses;
- county burial of indigent deceased veterans; or
- a tax levy for the Veteran's Assistance Fund.
